

COVER LETTER

Please fill in the fields below. The corresponding author must sign the completed form (manually or electronically). Submit the completed form through the Portuguese Journal of Pediatrics platform. If you have any difficulty using the platform, please send the form pjp@spp.pt as an attachment.

Dear Editor in Chief,

We are submitting the manuscript entitled:

As authors, we believe it should be published in the Portuguese Journal of Pediatrics for the following reasons:

PORTUGUESE JOURNAL OF PEDIATRICS

Editors in Chief: David Lito and Luís Pereira-da-Silva

SOCIEDADE PORTUGUESA DE PEDIATRIA

President: **Inês Azevedo** | Vice-President: **André Graça** | General Secretary: **Mónica Oliva** | Treasurer: **José da Cunha**
Deputy Secretaries | North: **Liane Costa** | Center: **Cândida Cancelinha** | South: **Rita Machado** | Azores and Madeira: **Paula Ornelas**
Deputy Secretary (Societies and Sections): **Cláudia Melo** | Deputy Members: **Rodrigo Sousa; Sandra Costa**

In addition, I confirm that:

1. The article is original. It has not been published previously. It will not be submitted for publication in another journal or by other means of publication while awaiting the final decision of the Portuguese Journal of Pediatrics.
2. All authors had a significant contribution to the manuscript and authorized the publication of this article, as stated in the Authorship Responsibility Statement.
3. The existence of conflicts of interest for each author is expressed in the document attached (Individual Declaration of Conflicts of Interest, ICMJE template).
4. Funding (note: this point refers to the existence of sources of funding for the work and not for each author):
 - This work received funding.
 - This work did NOT receive funding.

Specify the sources of funding (if applicable):

5. The funding sources of this work are explicitly declared in the article (if applicable).
6. This manuscript was prepared following the Instructions for Authors of the Portuguese Journal of Pediatrics, and I accept that if the article does not strictly respect them, it will be returned without starting the peer review process.
7. This manuscript does not infringe any other authorship rights and does not violate any right to privacy.
8. All the authors agree with the order and number of authors defined in the submission.
9. Applicable ethical and deontological principles have been respected as well as the applicable laws and the regulations of the Helsinki Declaration (1964) and its later amendments (Tokyo 1975, Venice 1983, Hong Kong 1989, Somerset West – South Africa 1996, Edinburgh 2000, Washington 2002, Tokyo 2004 and Seoul 2008) (applicable for studies involving humans).
10. This study was authorized by the ethics committees of the institutions involved, and I have the documentation of this authorization, which is available if requested by the Portuguese Journal of Pediatrics (if applicable).

PORTUGUESE JOURNAL OF PEDIATRICS

SOCIEDADE PORTUGUESA DE PEDIATRIA

President: **Inês Azevedo** | Vice-President: **André Graça** | General Secretary: **Mónica Oliva** | Treasurer: **José da Cunha**
Deputy Secretaries | North: **Liane Costa** | Center: **Cândida Cancelinha** | South: **Rita Machado** | Azores and Madeira: **Paula Ornelas**
Deputy Secretary (Societies and Sections): **Cláudia Melo** | Deputy Members: **Rodrigo Sousa**; **Sandra Costa**

11. The individuals participating in the study, or their legal representatives, were informed of the objectives, conditions, and publication of the results and agreed to participate by signing an informed consent form of such participation. I confirm that I have the informed consent form(s) in my possession, which is available if requested by the Portuguese Journal of Pediatrics (if applicable).

The corresponding author:

Signature of the corresponding author:

Date:

To be provided when requested by the editors:

1. Authorization of the contributors mentioned in the acknowledgments section (if applicable);
2. Letter of approval by the Ethics Committee of the involved institutions (if applicable);
3. Statement of informed consent of all the participants in the study or its legal representatives (if applicable);
4. Statement of informed consent from each present in photographs, even after appropriate measures to preserve anonymity are taken (if applicable);
5. Authorizations for using previously published material (if applicable).
